Data Visualization of Environment, Science, Technology, and Health Issues

Project Title	Data Visualization of Environment, Science, Technology, and Health Issues
PINIACT SHIMMAN	Help us to visualize data on environment, science and technology, and health (ESTH) issues using Tableau or PowerBI.
Country	United States
Country/Region of Focus	Global

Project Description

We in the State Department's Bureau of Oceans and International Environmental and Scientific Affairs are seeking a Virtual Intern to help us display/visualize some public data on environment, science and technology, and health (ESTH) issues using Tableau or PowerBI. Unfortunately, we cannot supply you with either of these programs so you must have access to either of them on your own.
